

19th Annual Thunder Run

Rolling Thunder Special Needs Program, Inc. is a 501c3 nonprofit organization dedicated to providing challenged individuals with the opportunity to successfully participate in all levels of mainstream running, walking or wheelchair racing year round in an inclusive setting. It is open to developmentally and/or physically challenged individuals ages 5 or older, regardless of athletic ability. There is no membership fee to join or participate in any of our activities and all of the coaches are volunteer (there is no paid staff).

Rolling Thunder Special Needs Program is only able to serve the athletes in our community through the generous support of local sponsors. These donations give athletes the opportunity to thrive within a positive team environment. This program has offered many athletes the opportunity to advance their running skills thus allowing them to achieve the ability to run professionally. Two athletes whom have participated in our program represented Team USA at the 2016 Paralympics. In 2015, three athletes represented Team USA in Ecuador at the INAS Global Games in which they brought home the silver medal. In 2014, we had three athletes represent Team USA at the World Cross Country Championships in Poland bringing home the bronze medal.

I would like to invite you to become a sponsor of the **19th Annual Thunder Run and Family Fitness Day**. Since our organization relies heavily on the generosity of companies/businesses like yours we are writing to ask for your consideration in giving any type of donation or sponsorship. 100% of the money raised is used to purchase uniforms, pay for race entries and travel costs incurred when athletes participate in races outside Long Island, fund the cost of membership in USA Track & Field, as well as assisting in funding events that promote social interaction of our athletes.

As a sponsor, you'll receive recognition in pre and post event press releases and inclusion on our website. Moreover, based upon level of sponsorship you will receive prominent advertisement on our website, inclusion in our race t-shirt, and race course banners.

Please complete the enclosed sponsorship form along with your donation before June 1, 2017 to
